

Literacy Volunteers of Morris County

2022 Highlights

LVMC could not have accomplished all we did without our caring community. Tutors generously devoted their time and energy to their students, meeting them in person and remotely, donating more than 6,000 hours of free instruction. Students worked hard to improve their literacy skills, and accomplished more than 2,000 of their individual goals. Our amazing Board of Directors, funders and supporters supplied the resources we needed to do our work. And work we did! The LVMC staff, Debbie, Bevin, Amy, Anita and Gaby provided support to more than 500 students and 300 tutors during the year.

Thank you all for being part of our caring community and for giving the Gift of Literacy.
